## Land Force Initiatives

*Supporting the Soldier*

The Engility team has supported PEO Soldier and its predecessor organizations since 1998

## The Soldier is Our Customer

**Land Force Initiatives** specializes in supporting the Soldier. Our staff is knowledgeable, highly experienced and extremely motivated. We are sensitive to our customer's needs, understand their requirements, and are proud to deliver state-of-the-art solutions in acquisition management, systems engineering, requirements development and articulation, force integration, program integration, and force management.

We are focused on working with the customer as part of a team to ensure cost efficient, on time delivery of products and services.

Engility conducts DOTMLPF analysis at the Soldier Requirements Division of the Capabilities Development and Integration Directorate at the Maneuver Center of Excellence, Fort Benning, GA.

## Engility's Land Force Initiatives

provides a variety of services to Army and Joint Service programs:

- PEO Soldier
  - PM Soldier Protection and Individual Equipment (PM SPIE)
  - PM Soldier Warrior (PM SWAR)
  - PM Soldier Sensors and Lasers (PM SSL)
  - PM Soldier Weapons (PM SW)
- PM Force Protection Systems (PM FPS)
- PM Aerial Common Sensors (PM ACS)
- Joint Trauma Analysis and Prevention of Injury in Combat (JTAPIC) Program
- Maneuver Support Center of Excellence (MSCOE)
- Force Management Support Services (FMSS)
- Naval Explosive Ordnance Disposal Technology (NAVEODTECH)

We offer staff augmentation support in all functional areas, but we are especially strong in Program Management, Systems Engineering and Integration, Requirements Development, Analysis, Operations Management, Test Support, Forensics and Logistical Planning.
